**NOTICE OF SATISFACTION OF COMPLAINT
IN LIEU OF MEDIATION**

COMES NOW Spire Missouri Inc. (“Spire”), by and through the undersigned counsel, and represents that the Complainant and Spire have reached a resolution of their dispute. In support of this Notice of Satisfaction of Complaint in Lieu of Mediation (“Notice”), counsel for Spire states as follows:

- 1.) On February 17, 2021, Complainant filed a complaint against Spire.
- 2.) On March 25, 2021, Spire filed its Request for Mediation in Lieu of an Answer, pursuant to Commission Rule 20 CSR 4240-2.125.
- 3.) The Commission has ordered the Staff of the Commission (“Staff”) to file a Report by April 26, 2021¹ and a proposed procedural schedule in this matter no later than April 27, 2021².

¹ Commission’s Order Giving Notice of Case Filing, Directing an Answer, and Directing a Staff Investigation entered on February 23, 2021.

² Commission’s Order Directing Staff to File Procedural Schedule entered on April 16, 2021.

- 4.) This Notice is being filed in order to inform the Commission, and formally inform Staff, of the current status of this case. A Notice of Dismissal should be forthcoming as the parties have come to an agreement in principle and are mailing correspondence to solidify the agreement in writing. That filing may not be completed before the filing deadlines mentioned in this Notice, but it should be completed in the very near future. This Notice eliminates the need for a date for mediation, a procedural schedule, or any filing by Staff.
- 5.) If such resolution is not ultimately granted, Spire reserves the right to file a formal Answer herein.
- 6.) Complainant is aware that this document is being filed with the Commission.

WHEREFORE, Spire respectfully requests that the Commission accept this Notice of Satisfaction of Complaint in Lieu of Mediation, issue an Order suspending the upcoming filing requirements referenced in paragraph 3 above, and any other relief the Commission deems appropriate.

Respectfully submitted,

/s/ Rachel L. Niemeier
