

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of KCP&L Greater Missouri Operations)
Company's Application for Authority to Establish a) File No. EO-2014-0151
Renewable Energy Standard Rate Adjustment Mechanism)

MOTION FOR EXTENSION OF TIME

COMES NOW Earth Island Institute d/b/a Renew Missouri ("Renew Missouri"), on behalf of KCP&L Greater Missouri Operations Company ("KCP&L-GMO, the Staff of the Missouri Public Service Commission ("Staff"), the Office of Public Counsel ("OPC"), and Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri"), and in support of this Motion for Extension of Time states the following:

1. According to the Commission's October 2, 2014 Order, the parties are to file a joint list of issues, statements of position, and joint stipulation of facts no later than October 16, 2014.
2. The parties have continued to discuss the issues, and have arrived at the basis for a Stipulation and Agreement as well as a procedural schedule for resolving many of the issues in this proceeding. However, due to time constraints, the parties are unable to submit a finalized agreement by October 16, 2014.
3. The parties would therefore propose to extend the time for filing the issue list and statements of position. In lieu thereof, the parties propose to file a Stipulation and Agreement (Unanimous or Non-Unanimous) and proposed procedural schedule by Monday, October 20, 2014.
4. Counsel for KCP&L-GMO, Staff, OPC, and Ameren Missouri have given authorization to file this on their behalf. As of the time of this filing, MEUA has not indicated any objection to this filing.

Wherefore, Renew Missouri respectfully submits this Motion for Extension of Time.

Respectfully Submitted,

/s/ Andrew J. Linhares
