MOTION REQUESTING A PREHEARING CONFERENCE

COMES NOW the Missouri Propane Gas Association (MPGA), by and through its counsel of record, pursuant to Commission Rule 4 CSR 240-2.090(4), and for its Motion Requesting a Prehearing Conference, states as follows:

1. On November 9, 2016, the Commission issued its Order Denying MPGA’s Motion for Partial Summary Determination.
2. In that November 9 Order, the Commission explained that it was denying the Motion because it “is unable to make a factual determination as to what are the applicable manufacturers’ specifications relating to the conversion of appliances.”¹
3. As MPGA has voluntarily dismissed all other issues from the Complaint, the factual determination as to what are the applicable manufacturers’ specifications relating to the conversion of appliances is the only outstanding issue in the Complaint that needs to be resolved.
4. 4 CSR 240-2.090(4) provides:

Any party may petition the commission to hold a prehearing conference at any time prior to the hearing.

¹ Commission’s November 9 Order at p. 3.

5. MPGA requests that the Commission schedule a prehearing conference so that a satisfactory procedural schedule can be established to litigate the matter that will best meet the needs of all concerned.

WHEREFORE, MPGA respectfully asks the Commission to set a prehearing conference in this case; and grant such other and further relief as is just in the circumstances.

Respectfully submitted,
