Case No. EM-2007-0374

NOTICE TO PARTIES

Prior to my appointment to the Missouri Public Service Commission, I was affiliated with the law firm of Sonnenschein Nath and Rosenthal (Sonnenschein) from December of 2006 until April 15, 2008. Sonnenschein has multiple offices in several states and abroad. I was geographically located in the firm's St. Louis office. I served in an "Of Counsel" position in the Public Law and Policy Strategies practice group.

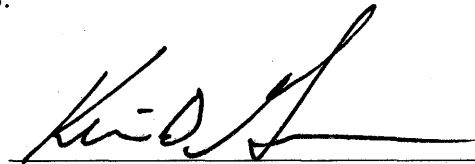

Currently, Sonnenschein represents Great Plains Energy, Inc and KCPL, through Karl Zobrist and Roger Steiner, partners in the above-styled case. Mr. Zobrist and Mr. Steiner are located in Sonnenschein's Kansas City office in the Business Regulation practice group.

While at Sonnenschein I was neither involved in any way in the above-styled case, nor did I ever discuss the case with Mr. Zobrist or Mr. Steiner. I was geographically separated from the case. Further, in the position of "Of Counsel" to the firm, I did not receive any direct financial benefits from the parties' participation in the case as Sonnenschein's "Of Counsels" are employees and do not share in the firm's profits and/or losses.

As such, I believe that I can participate in the case as an impartial decision maker and render a decision based on the evidence and record presented. However, due to my

employment with Sonnenschein, I am giving notice to the parties and offering this opportunity for the parties to raise any objections to my participation in the above-styled case.

Because the hearing begins today, I intend to participate in the hearing unless concerns are raised by any of the parties. If a party objects to my participation in the case, it should file that objection in the case with its supporting reasons. If an objection is filed, I will take into consideration whether to continue participation or not and render a decision no later than Friday, April 25, 2008.
