**RE: Proposed Rule 4 CSR 240-120.130—Monthly Report Requirement for Registered  
Manufactured Home Dealers**

Dear Mr. Roberts:

Section 536.017, RSMo. and Executive Order 93-13 require state agencies to undertake a "takings analysis" of each proposed rule or regulation to determine if the proposed rule on its face constitutes a taking of real property under relevant state and federal law. The leading case on this issue is *Lucas v. South Carolina Coastal Council*, 112 S.Ct. 2886 (1992). In *Lucas*, the Court held that state regulation that deprived an owner of real property of all beneficial economic use of that property constitutes a "taking" under the Fifth and Fourteenth Amendments of the U. S. Constitution, for which the owner must be compensated.

Pursuant to the statute and order, I have completed a "takings analysis" of the above referenced proposed amended rule. The proposed amended rule clarifies the entities that must comply with the registration requirements for dealers of manufactured homes and revises a statutory citation to comport with current statutes. Nothing in this proposed amended rule deprives a regulated utility of all beneficial economic use of real property. Thus, the proposed amended rule does not implicate the takings clause of the U.S. Constitution, since it does not involve the deprivation of beneficial economic use of real property.

Please let me know if you have any questions concerning this proposed amended rule.

Sincerely yours,

Nathan Williams  
Assistant General Counsel

RE: Proposed Amended Rule 4 CSR 240-120.130—Monthly Report Requirement for  
Registered Manufactured Home Dealers

### Small Business Analysis

Dear Mr. Roberts:

Executive Order 96-18 requires state agencies to determine whether a proposed rule will have a direct economic impact on small businesses of five hundred dollars (\$500) or more in the aggregate. A small business is defined to be an independently owned and operated business entity that employs fifty or fewer full-time employees. Pursuant to the order, I have completed a "small business analysis" of the above referenced proposed new rule. The proposed new rule will apply to approximately 346 manufactured home dealers falling within the foregoing definition of small business. It is estimated that there will be no direct economic impact on these small businesses.

Please let me know if you have any questions concerning this proposed rule.

Sincerely yours,

Nathan Williams  
Assistant General Counsel
