Re: Change of Name For Consolidated Communications Network Services, Inc. to Consolidated Communications Enterprise Services, Inc.

Dear Ms. Dale:

As allowed by 4 CSR 240-2.060(5), Consolidated Communications Network Services, Inc., is requesting approval for a change of name. This request reflects a change in corporate name that has been recognized by the Missouri Secretary of State. Following is a summary of the information required by 4 CSR 240-2.060(5)(A)-(C):

(A) Upon approval by the Commission, the old name, Consolidated Communications Network Services, Inc., would be changed to the new name, Consolidated Communications Enterprise Services, Inc.

(B) The Amended Certificate of Authority of a Foreign Corporation to do business in Missouri evidencing the name change to Consolidated Enterprise Services, Inc., that was issued by the Missouri Secretary of State on January 8, 2009, is attached. (This also includes documentation from the Secretary of State of Delaware of the name change of Consolidated Communications Network Services, Inc., a Delaware corporation, to Consolidated Communications Enterprise Services, Inc.)

(C) Three revised tariffs reflecting the name change to Consolidated Communications Enterprise Services, Inc. are also attached. These are:

1. Missouri Tariff No. 1, Consolidated Communications Enterprise Services, Inc., doing business as Consolidated Communications Network Services;

2. Missouri Tariff No. 2, Consolidated Communications Enterprise Services, Inc., doing business as Consolidated Communications Public Services; and

3. Missouri Tariff No. 3, Consolidated Communications Enterprise Services, Inc., doing business as Consolidated Communications Operator Services.

Each of these revised tariffs bears an issued date of January 26, 2009 and an effective date of February 27, 2009, which as required by 4 CSR 240-2.060(5)(C), is not fewer than thirty days after the filing date of this application.

I further note by way of background, that this name change relates to the internal reorganization and transfer of assets which was the subject of the “Order Granting Application For Transfer of Assets and Approving Tariffs” that was entered in Case No. XN-2009-0196 on December 24, 2008. The original application in that docket, had notified the Commission that when the transfer of assets was complete, Consolidated Communications Network Services, Inc. would change its name to Consolidated Communications Enterprise Services, Inc. and requested approval of the name change. That request was subsequently withdrawn, and an amended application filed, because the documentation necessary to support the name change was not then available. (See “Motion for Leave to File Amended Application” filed in Case No. XN-2009-0196 on December 15, 2008 and “Order Granting Leave To Amend Application” entered on that same date.) The approved transfer of assets was effective on January 1, 2009, the Delaware Secretary of State recognized the name change to Consolidated Communications Enterprise Services, Inc. in a certificate of good standing that was issued on January 2, 2009, and the Missouri Secretary of State issued an “Amended Certificate of Authority of A Foreign Corporation” recognizing the name change from Consolidated Communications Network Services, Inc. to Consolidated Communications Enterprise Services, Inc., on January 8, 2009. As noted above, the amended certificate of authority that was issued by the Missouri Secretary of State, which includes the documentation from the Delaware Secretary of State, is attached to this letter.

Please note that CCES, previously known as CCNS, currently has no customers in the state of Missouri. Therefore, no customer notice of the change in name or tariff revisions is required or needed.

Please contact the undersigned if there are any questions. Thank you for your assistance.

Yours Truly,

/s/ Sarah J. Read
