System Replacement Surcharge (ISRS).	)	

**MOTION FOR EXPEDITED TREATMENT**

COMES NOW Missouri-American Water Company ("MAWC"), and, in accordance with Missouri Public Service Commission ("Commission") Rule 4 CSR 240-2.080(16), moves the Commission for expedited treatment of MAWC's tariff sheet, filed on October 13, 2006:

1. On October 12, 2006, effective on October 12, 2006, the Commission issued its Order Approving an Infrastructure System Replacement Surcharge But Rejecting Tariff wherein the Commission rejected the tariff sheet filed by MAWC on August 6, 2006 (YW-2007-0070), and authorized MAWC to file a tariff to impose an ISRS as specified in the Order.
2. Concurrently, with the filing of this Motion, MAWC filed a tariff sheet in order to comply with the Commission Order (P.S.C. MO. No. 6, 3rd Revised Sheet No. RT 18.00) (attached hereto as **Appendix A**). This tariff sheet carries a proposed effective date of November 13, 2006 (30 days), and was assigned tracking number YW-2007-0244. MAWC's EFIS filing indicated that it would seek to have the tariff sheet made effective as of October 23, 2006.
3. The ISRS process is authorized by Section 393.1000 through 39.1006 RSMo, and Commission Rule 4 CSR 240-3.650. Its goal to provide eligible water corporations with the ability to recover, on a timely basis, certain infrastructure

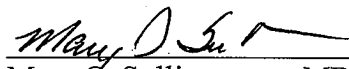

replacement - costs outside of a formal rate case filing via the ISRS. The Commission has authorized such an ISRS in the case and there are no further procedures to be completed in this case. Granting this Motion will afford MAWC the timely rate relief which the Commission has found to be justified. As such, Commission action as requested herein will cause no negative effect on MAWC's customers or the public generally.

4. Accordingly, MAWC seeks the Commission's order allowing the proposed tariff sheet to go into effect on October 23, 2006.

5. The subject tariff sheet and this Motion have been filed as soon as possible after the issuance of the Commission's Order Approving an Infrastructure System Replacement Surcharge But Rejecting Tariff in this case.

WHEREFORE, for the foregoing reasons, MAWC respectfully requests the Commission to MAWC's Motion for Expedited Treatment and approve MAWC's proposed tariff sheet (YW-2007-0244) effective October 23, 2006.

Respectfully submitted,
