NOTICE OF COMMUNICATION

Issue Date: May 6, 2014

On April 25, 2014, I attended the Heartland Electricity Dialogue hosted by the Kellogg School of Management at Northwestern University. During a Small Group Discussion regarding viability of the rate-regulated, cost-of-service business model, Chuck Caisley, an employee of KCP&L, discussed the Company's use of services provided by Allconnect. I was unaware of the pending Staff investigation into this matter that was filed that same day and did not speak on the subject, but I was present for Mr. Caisley's comments.

This Notice is filed pursuant to Commission Rule 4 CSR 240-4.020 relating to extra record communications.

Respectfully submitted,

Daniel Y. Hall
Commissioner

Dated at Jefferson City, Missouri
