Case No. EM-2007-0374

NOTICE REGARDING EXTERNAL COMMUNICATIONS

Issue Date: March 12, 2008

On March 11, 2008 at 2:30 pm, I met with Jonathan Barrett and Michael Goldenberg from Luminus Management, LLC. During the meeting they asked me if I understood what was going on in the credit market for utilities in general, if I understood that capital was “fleeing” from small market cap utilities to the larger market cap utilities, and if I had any impressions regarding the Aquila-KCP&L merger. I informed them that I was no longer participating in this case and that I had not discussed the case with any of my fellow commissioners since my recusal.

Dated at Jefferson City, Missouri,
on this 12th day of March, 2008.
Davis, Chairman
