**RE: In the Matter of the Application of Kansas City Power & Light Company
for Authority to Implement a General Rate Increase for Electric Service
Case No. ER-2018-0145 (Tracking No. YE-2019-0083)**

Dear Secretary:

The Letter of Transmittal (“LOT”) submitted by Kansas City Power & Light Company (“KCP&L”) with Book 2 compliance tariffs on November 6, 2018 (Tracking No. YE-2019-0083) contained the following errors:

- (1) KCP&L is withdrawing Sheet No. 1.04 along with several other sheets erroneously included with the November 6, 2018 compliance tariff filing. However, Sheet No. 1.04 was also listed in the LOT. As such, “*Fourteenth Revised Sheet No. 1.04, canceling Thirteenth Revised Sheet No. 1.04*” should be deleted from the LOT. None of the other sheets being withdrawn for erroneous inclusion were listed in the LOT.

If you require any additional information, please do not hesitate to contact me. My direct phone number is (816) 654 - 1801.

Sincerely,
