

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company d/b/a Ameren     )  
Missouri's Filing to Implement Regulatory Changes in     ) File No. EO-2012-0142  
Furtherance of Energy Efficiency as allowed by MEEIA.    )

**AMEREN MISSOURI'S MOTION FOR LEAVE TO FILE  
CORRECTED PAGES FOR ITS JANUARY 20, 2012 FILING**

COMES NOW Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or Company) and, for its *Motion for Leave to File Corrected Pages for its January 20, 2012 Filing*, states as follows:

1. Ameren Missouri filed its *Application* in this case on January 20, 2012.
2. Since the filing of the *Application*, the Company has had several discussions with the Missouri Public Service Commission Staff (Staff) and others. As early as the first technical conference, the Company identified an error in its filing regarding the timing of Evaluation, Measurement and Verification (EM&V). At the last technical conference, Staff requested the Ameren Missouri file corrected pages rather than make the correction at hearing or in surrebuttal testimony.
3. Attached to this pleading are the corrected pages. The Company is providing a red-line copy, which tracks all changes, in addition to the corrected pages. This way, all changes can be easily identified by the reader.
4. Ameren Missouri does not believe the filing of these corrected pages will negatively disrupt the review process of the other parties in this case, as all parties have had knowledge of this issue since shortly after the original filing was made by Ameren Missouri and this filing is only to confirm information already provided to the parties.

WHEREFORE, Ameren Missouri respectfully requests that the Missouri Public Service Commission grant it leave to file the attached corrected pages to its January 20, 2012, filing.

Respectfully submitted,

UNION ELECTRIC COMPANY,  
d/b/a Ameren Missouri
