

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In The Matter of Embarq Missouri, Inc.)	
Application for Competitive Classification)	Case No. TO-2008-0147
Under Section 392.245.5 RSMo. (2005))	

MOTION TO AMEND APPLICATION

COMES NOW Embarq Missouri, Inc. (“Embarq”), pursuant to 4 CSR 240-2.080(20), and respectfully seeks leave from the Missouri Public Service Commission to file *instanter* the attached Amended Application for Competitive Classification with accompanying attachments. The Amended Application varies from the original Application as follows:

1. All references to the Holt exchange are deleted from the Amended Application. Those references appeared on pages 1, 2 and 3 of the original Application.
2. All references to the Holt exchange are deleted from the proposed tariff attached to the Amended Application.
3. Any references to the “Application” are pervasively amended to refer to the “Amended Application.”
4. The effect of deleting the Holt exchange from the Amended Application is to narrow the scope of the relief sought by Embarq and to reduce the number of issues that must be evaluated and decided by the Commission. Similarly, the parties will have fewer issues to evaluate and address.
5. No party, intervenor or consumer in the State of Missouri can be prejudiced by allowing Embarq to amend its Application and accompanying tariff as requested.

6. This amendment should not delay the processing and ultimate decision on Embark's Amended Application. It should still be approved within 30 days of the original filing. That is because the public, the Commission, all parties and intervenors have received timely notice of all relief sought by Embark. The proposed amendment reduces the scope of the request for relief and asks for nothing additional at this time.

WHEREFORE, Embark respectfully requests that its Motion to Amend Application be granted and that the attached Amended Application, the accompanying exhibits and the revised tariff be filed *instanter*. The schedule for the proceeding should not be revised should the Motion to Amend be granted.

Respectfully submitted,

EMBARQ MISSOURI, INC.
