Subject: Celebration of award-winning water!

Good Afternoon,

We at Missouri American Water wish to invite you to a one hour event being held at our Meramec Water treatment facility located in South St. Louis County at 4194 Meramec Bottom Rd. It will be a chance for you to share our excitement on receiving a Ten Year Directors Award

from the Partnership for Safe Water. The Partnership is a voluntary organization led by the American Water Works Association and the U.S. Environmental Protection Agency. Fewer than 100 water plants across the country have achieved this water quality recognition. So please mark your calendars for Friday, June 22, 2012, at 10:00 am, to join us for a light continental breakfast, brief comments from our executive management team and a tour of this award winning treatment facility.

We will be dropping a formal invite in the mail to you late in the week, but wanted to give you an early heads up!

If you have any questions, please feel free to contact me.

Always in your service,
Brad.....
