Re: Notice of Relinquishment of Eligible Telecommunications Carrier Designation and
Discontinuance of Wireless Services of Nexus Communications, Inc. d/b/a Reachout
Wireless

Dear Mr. Collins:

Nexus Communications, Inc. (“Nexus”) hereby gives notice to the Commission that it is discontinuing its provision of wireless services in Missouri and relinquishing its designation as an Eligible Telecommunications Carrier (“ETC”), which was issued by the Commission on August 26, 2009.¹ *In the Matter of the Application of Nexus Communications, Inc., dba TSI for Designation as an Eligible Telecommunications Carrier in the State of Missouri for the Limited Purpose of Offering Wireless Lifeline and Link up Service to Qualifying Households*, Order, File No. RA-2009-0375 (Aug. 26, 2009). Nexus’ decision to relinquish its ETC is the result of changes in the industry and proposed modifications to the Lifeline program.

Notice to all wireless subscribers in Missouri will be sent on March 22, 2016 to permit them to obtain alternative service. The impact of this discontinuance will be minimal because only approximately 2,099 Nexus wireless subscribers are being discontinued, and those consumers have multiple options for alternative service providers in Missouri.

Nexus is providing an original of this filing, along with one copy for stamp and return purposes. Please date-stamp and return in the self-addressed envelope included with this filing. Should you have any questions regarding this filing, please do not hesitate to contact **Adam Shoemaker** at adamshoemaker@dwt.com or (202) 973-4222.

Sincerely,

<s> Adam Shoemaker

¹ Nexus previously notified the Commission through a Notice of Discontinuance, filed on January 8, 2015, that it would discontinue its wireline services. At that time, Nexus stated that it intended to continue to provide wireless service. It is now discontinuing that service as well.
