APPLICATION FOR RECONSIDERATION BY  
INDICATED INDUSTRIALS

COME NOW the SEDALIA INDUSTRIAL ENERGY USERS' ASSOCIA-  
TION ("SIEUA"), AG PROCESSING INC A COOPERATIVE ("AGP") and  
PRAXAIR, INC ("Praxair") (collectively "Indicated Industrials")  
and respectfully apply for reconsideration of the Commission's  
order of March 11, 2008 as follows:

1. On March 11, 2008 the Commission issued an order  
entitled "Second Order Adopting Procedural Schedule."

2. In connection with a discussion of the appropriate  
"nomenclature" for a February 25, 2008 testimony filing on behalf  
of the Joint Applicants, the Commission stated: "With regard to  
the nomenclature of the newly filed testimony, the Commission  
finds this not material because cross-examination on the February  
25 testimony will be allowed."

3. To the extent that the above statement constitutes  
a predispositive ruling on admissibility of this testimony, which

would appear to follow if "cross-examination . . . will be allowed," this predispositive ruling is incorrect and inappropriate. The subject matter has not been marked, authenticated or offered into evidence, nor have any motions or objections in connection therewith been proffered.

4. Moreover, these movants are filing a Second Motion in Limine directed to portions of this February 25, 2008 testimony filing that seeks to exclude consideration of portions of that testimony on the grounds stated therein. That Second Motion in Limine is filed contemporaneously herewith.

5. A ruling on that motion by the Commission before it is even made, or rulings on admissibility of testimony before the subject testimony is even offered into evidence is both incorrect and inappropriate and should be corrected by removing such statement from the Commission's March 11, 2008 Order.

WHEREFORE, the Commission should reconsider and correct its March 11, 2008 Order as stated above.

Respectfully submitted,

FINNEGAN, CONRAD & PETERSON, L.C.
