

The second week of hearings would still be reserved, and the Parties suggest that, if the Commission desires an on-the-record presentation of the Agreement, one of the dates reserved for the hearings that week be used for such purpose.

3. MGE circulated this pleading among all of the Parties today, and no party objected to the notice or motion.

**WHEREFORE**, for the foregoing reasons, MGE respectfully requests that the Commission accept notice of the Parties' settlement in principle and modify the procedural schedule for this case as proposed herein.

Respectfully Submitted,
