NRDC'S REQUEST TO BE EXCUSED

Comes now Natural Resources Defense Council and states:

NRDC filed testimony on a single issue, Clean Charge Network. All parties have waived cross-examination of NRDC's witness Noah Garcia (except Brightergy which has itself asked to be excused).

Accordingly NRDC asks that its witness be excused and that NRDC's appearance be excused except when the issue of Clean Charge Network is heard. NRDC also asks leave to make a brief opening statement when that issue is heard.

Respectfully submitted,
