Case XM-2005-0124

**NOTIFICATION REGARDING TARIFF REVISIONS**

COME NOW Network US, Inc., d/b/a CA Affinity, and Motion Telecom, Inc., Joint Applicants herein, by and through counsel, and submit this Notification Regarding Tariff Revisions to advise the Commission that it will be filing its proposed tariff revisions to incorporate the service offerings and rates of Motion Telecom, Inc., into NUS' current interexchange tariff on January 27, 2005. Regrettably, Joint Applicants were unable to meet the commitment stated in Joint Applicants' Response to Order Directing Filing, to file the tariff revisions today, due to an EFIS authorization access issue which was discovered after the Commission's normal business hours. The tariff revisions will be filed as soon as this issue can be resolved when the Commission's offices open on January 27.

Also, attached hereto is a copy of the customer notice which will be sent to all customers of NUS, including the customers transferred from Motion Telecom, at least 10 days before the proposed effective date of the tariff revisions, advising of a proposed increase in rates for directory assistance, payphone surcharge and returned check charge. NUS will continue to offer all the same long distance and calling card plans which were available from Motion Telecom at the same rates, except for these three isolated special charges. This notice will also be filed with the tariff revisions.

WHEREFORE, NUS submits this Notification Regarding Tariff Revisions, and requests the Commission accept the late-filing of the proposed tariff revisions and approve the proposed tariff revisions to be filed on January 27.

Respectfully submitted,

/s/Mary Ann Young
