**APPLICATION FOR INTERVENTION OF
MIDWEST ENERGY CONSUMER'S GROUP**

COMES NOW the Midwest Energy Consumer's Group, pursuant to 4 CSR 240-2.075, and for its Application for Intervention in this case, states as follows:

1. Midwest Energy Consumer's Group ("MECG") is an incorporated association representing the interests of large commercial and industrial users of electricity.

2. On January 30, 2018, KCPL filed proposed tariffs with the Commission intending to increase its rates for electric service. As a group of large commercial and industrial customers of KCPL, MECG's interest in this case is different than that of the general public.

4. For purposes of 4 CSR 240-2.075(2), MECG states that it is opposed to discriminatory pricing of electricity and related utility services, is opposed to increases that are not reasonable and are not related to prudent costs that are incurred by the utility in providing utility service, and is opposed to a utility being permitted to earn what may be an unreasonably high rate of return. MECG is unable to state its position relating to the relief sought by KCPL. MECG is continuing to review KCPL's filing and reserves the right to take positions on specific issues as this case proceeds.

5. MECG's intervention will serve the public interest by assisting the record for the Commission's decision in this case.

6. Correspondence or communications regarding this application, including service of all notices and orders of this Commission, should be addressed to:
