

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of the Application of MultiBand, Inc.)  
for a Certificate of Service Authority to Provide     )     Case No. ZA-2006-0346  
Shared Tenant Services in the State of Missouri )

**MOTION FOR EXTENSION OF TIME FOR  
FILING PROCEDURAL SCHEDULE**

COMES NOW MultiBand, Inc. (Applicant herein), by and through counsel of record, and respectfully requests the Commission or the Regulatory Law Judge to extend the deadline for filing a procedural schedule in this case by thirty (30) days, until September 15, 2006.

On July 17, 2006, the Regulatory Law Judge issued an *Order Directing Filing of Proposed Procedural Schedule* in this case, directing the parties to file a proposed procedural schedule no later than August 16, 2006. Since that time, MultiBand has changed the manner in which it provides STS in the Jefferson Arms Apartment Building so that none of the pre-existing facilities within the building are needed or utilized by MultiBand. AT&T Missouri has required additional time to verify the changes. Since it is possible that these changes could obviate the necessity of a hearing in this case, additional time would be useful before a procedural schedule needs to be filed. AT&T Missouri and Staff have no objection to this Motion for Extension being granted by the Commission. The Office of Public Counsel has not participated in this case.

WHEREFORE, MultiBand, Inc. respectfully requests that the deadline for filing a procedural schedule in this case be extended until September 15, 2006.

Respectfully submitted,
