Laclede Gas Company

I Myron Lockhart is responding to Laclede Gas Company. There's no specific address my complaint is referring to. To make my complaint clear so your company can understand Bonds were cashout before maturity date, ~~Shares~~ were cashout before schedule date also stocks were cashout before schedule date. With a Laclede Gas Company Annual report Dated September 30, 1969, stating a specific instruction that 100% ownership should remain Hold of the Two Companies. So with the sale of these Bonds Shares and stocks allowed the change of ownership without proper authority. The actual documents of these bonds, shares, stocks should be produced to verify ownership and the trust registration for the bonds, shares and stock, so compensation of current value can take place.
