Re: Order Granting Motion for Production
Elm Hills Utility Operating Co. Request for a Water and sewer Rate Increase
No. WR-2020-0275

Dear Secretary Woodruff:

I was engaged today to represent US Water Systems LLC with regard to the Commission's October 28, 2020 Order Granting Motion for Production.

I can advise you that US Water Systems will require several more days to respond to the Order as it is currently in the process of gathering information responsive to the requests directed to it by the Office of the Public Counsel.

Very truly yours,

Karl Zobrist
