This permit is issued for work described in the application to be performed at the location listed above. The construction shall, in all respects, conform to the ordinances of the City of Bridgeton regulating the construction and use of buildings and may be revoked at any time upon violation of any provisions of said ordinances.

The City of Bridgeton reserves the right to reject any work which has been concealed or completed without first having been inspected and approved by the Department of Public Works in accordance with the requirement of the various codes. Any deviation from the approved plans must be authorized by the approval of revised plans. An additional permit is also charged predicated on the extent of the variation from the original plans. Building Permits are not valid if construction work is not started within six months from date permit is issued.

TWENTY FOUR HOUR NOTICE REQUIRED FOR ALL BUILDING INSPECTIONS AND SIDEWALK AND/OR DRIVEWAY EXCAVATION.
