

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Union)	
Electric Company d/b/a Ameren Missouri)	
For Permission to Transfer an Interest in)	Case No. EM-2022-0292
Transmission Assets under 393.190.1)	

**APPLICATION TO INTERVENE OF THE
MISSOURI JOINT MUNICIPAL ELECTRIC UTILITY COMMISSION
d/b/a MISSOURI ELECTRIC COMMISSION**

COMES NOW the Missouri Joint Municipal Electric Utility Commission d/b/a the Missouri Electric Commission (“MEC”), by and through counsel, pursuant to Commission Rule 20 CSR 4240-2.060, and respectfully files its Application to Intervene in this matter. In support of this Application, MEC states as follows:

1. On April 19, 2022, Union Electric Company d/b/a Ameren Missouri (“Ameren Missouri”) filed an Application and Request for Waiver (“Application”) for approval to transfer an undivided 49% interest in certain transmission facilities in, around, and near the City of Hannibal, Missouri. Ameren Missouri seeks to transfer these facilities to the MEC. On April 20, 2022, the Commission issued its Order setting a deadline of May 20, 2022, for filing Applications for Intervention.

2. MEC is a joint action agency and a body corporate and politic of the State of Missouri and, as such, is not subject to the jurisdiction of the Commission. MEC is authorized by §§393.700 to 393.770, R.S.Mo. to construct, operate and maintain jointly owned transmission and generation facilities for the production and transmission of electric power for its members, to purchase and sell electric power and energy, and to enter into agreements with any person

for the transmission of electric power. MEC is organized on a state-wide basis to promote efficient wheeling, pooling, generation, and transmission arrangements to meet the power and energy requirements of the municipal electric utilities in the State of Missouri. MEC's membership includes seventy municipal entities in Missouri and four advisory members in Arkansas. Together, MEC's members serve some 347,000 retail electric customers.

4. As Ameren Missouri noted in its Application, MEC is a Project party.

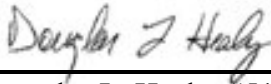

5. As a Project party to the Agreement, MEC has an interest that is different from that of the general public, in that it could be directly affected by any decision of this Commission regarding the transfer of certain transmission facilities and related necessary approvals to Ameren Missouri to participate in and complete the Project. MEC has a direct and immediate interest in this proceeding that is not currently represented in this matter.

6. MEC supports Ameren Missouri's Application and Request for Expedited Treatment.

WHEREFORE, MEC respectfully requests that the Commission grant its Application to Intervene on its behalf and on behalf of its members, entitling it to fully participate in this proceeding.

Respectfully Submitted,
