RE: Sprint Communications Company L.P.  
Missouri P.S.C. No. 5 tariff  
File No. TT-2012-0317

Dear Secretary:

Submitted by electronic filing is a revision to Sprint's Missouri P.S.C. No. 5 tariff.  
Tariff page being revised is:

2nd Revised Page 8-3.2

This filing:

- reduces rates for Terminating Switched Access in compliance with the Federal Communications Commission in its Report and Order in Docket Nos. 10-90, etc., FCC Release No. 11-161 issued November 18, 2011. Sprint's Local Switching rates are already at parity with its interstate Local Switching rates as of March 2, 2012. Although the Order requires carriers to reduce rates by 50% of the differential between the carrier's interstate and intrastate rates Sprint will reduce its Terminating Toll Free 8YY Transit rates to parity with interstate access rates effective July 1, 2012.

Supporting documentation and an affidavit is also provided as requested.

Sprint respectfully requests this tariff filing to become effective July 1, 2012. If you have questions regarding this filing, you may call me.

Sincerely,

A handwritten signature in black ink that reads "Ann Thompson". The signature is written in a cursive, flowing style.

Ann Thompson
