**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of The Empire District Electric Company )	
of Joplin, Missouri, for Authority to File Tariffs Increasing )	<b><u>Case No. ER-2002-424</u></b>
Rates for Electric Service Provided to Customers in the )	Tariff No. 200200743
Missouri Service Area of the Company. )	

**ORDER GRANTING PROTECTIVE ORDER**

This order grants the request for a protective order with a modification from the Commission's standard format.

On March 8, 2002, Empire District Electric Company filed a tariff proposing a general rate increase. On that same date, Empire filed a motion requesting that the Commission issue an order under the Commission's rule 4 CSR 240-2.085 to protect the confidentiality of certain information that it assumes, based on previous rate cases before the Commission, that the Commission's Staff, the Office of the Public Counsel, and any intervenors in the case will want to examine. Empire alleged that public disclosure of the information might result in harm to Empire, its customers, and members of the general public. Empire stated that none of the information it considers confidential is available in any public document.

Empire requests that the Commission issue a protective order in its standard format with one modification. Empire suggests this modification so that it may keep security matters from being disclosed to the general public. Empire requests that the following subparagraph (6) be added to paragraph (A) of the standard protective order:

(6) materials, documents, strategies and other information related to the company's methods, or planned modifications thereof, of ensuring the physical security of its public facilities.

There were no objections to the motion.

Upon review of the company's motion, the Commission finds that there is a need to protect confidential information and the request for a protective order is reasonable. The Commission has previously recognized the need to protect confidential information, and the issuance of protective orders has helped to minimize disputes in past cases. Recently, the Commission has also recognized the need to protect security measures and has approved a similar modification regarding security measures.<sup>1</sup> Therefore, the Commission concludes that a protective order should be granted.

**IT IS THEREFORE ORDERED:**

1. That the Motion for Issuance of Protective Order and for Modification of the Form to Deal with Security Aspects made by Empire District Electric Company is granted and the protective order attached to this order (Attachment A) adopted.

---

<sup>1</sup> See, *Order Regarding Motion to Dismiss, Protective Order and Discovery*, issued March 12, 2002, Case No. WO-2002-273.

2. That this order shall become effective on April 1, 2002.

**BY THE COMMISSION**

**Dale Hardy Roberts  
Secretary/Chief Regulatory Law Judge**

( S E A L )

Nancy Dippell, Senior Regulatory  
Law Judge, by delegation of authority  
pursuant to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri,  
on this 1st day of April, 2002.

## **PROTECTIVE ORDER**

- A. The following definitions shall apply to information which a party claims should not be made public.

**HIGHLY CONFIDENTIAL**: Information concerning (1) material or documents that contain information relating directly to specific customers; (2) employee-sensitive information; (3) marketing analyses or other market-specific information relating to services offered in competition with others; (4) reports, work papers or other documentation related to work produced by internal or external auditors or consultants; (5) strategies employed, to be employed, or under consideration in contract negotiations; (6) materials, documents, strategies and other information related to the company's methods, or planned modifications thereof, of ensuring the physical security of its public facilities.

**PROPRIETARY**: Information concerning trade secrets, as well as confidential or private technical, financial and business information.

- B. During the course of discovery a party may designate information as HIGHLY CONFIDENTIAL or PROPRIETARY (hereinafter, "designated information") and shall make such designated information available to the party seeking discovery, if such information is not objectionable on any other ground, under the restrictions set out in paragraphs C and D. The party designating the information as HIGHLY CONFIDENTIAL or PROPRIETARY shall provide to counsel for the requesting party, at the time the designation is made, the ground or grounds for the designation. The requesting party may then file a motion challenging the designation. The party

designating the information confidential shall have five days after the filing of the challenge to file a response. No other filings are authorized.

- C. Materials or information designated as HIGHLY CONFIDENTIAL may, at the option of the furnishing party, be made available only on the furnishing party's premises and may be reviewed only by attorneys or outside experts who have been retained for the purpose of this case, unless good cause can be shown for disclosure of the information off-premises and the designated information is delivered to the custody of the requesting party's attorney. Outside expert witnesses shall not be employees, officers or directors of any of the parties in this proceeding. No copies of such material or information shall be made and only limited notes may be taken, and such notes shall be treated as the HIGHLY CONFIDENTIAL information from which notes were taken.
- D. Disclosure of PROPRIETARY information shall be made only to attorneys, and to such employees who are working as consultants to such attorney or intend to file testimony in these proceedings, or to persons designated by a party as outside experts. Employees to whom such disclosure is to be made must be identified to the other party by name, title and job classification prior to disclosure. Information designated as PROPRIETARY shall be served on the attorney(s) for the requesting party. On-premises inspection shall not be required for PROPRIETARY information, except in the case of voluminous documents (see paragraph K). Any employees of the party who wish to review such PROPRIETARY materials shall first read this order and certify in writing that (s)he has reviewed same and consented to its terms. The acknowledgment so executed shall contain the signatory's full name, permanent

address, title or position, date signed, and an affirmation that the signer is acting on behalf of his/her employer. Such acknowledgment shall be delivered to counsel for the party furnishing the information or documents before disclosure is made.

- E. Attorneys, in-house experts or outside experts who have been provided access to material or information designated HIGHLY CONFIDENTIAL or PROPRIETARY shall be subject to the nondisclosure requirements set forth in paragraphs C or D, whichever is applicable, and S.
- F. If material or information to be disclosed in response to a data request contains material or information concerning another party which the other party has indicated is confidential, the furnishing party shall notify the other party of the intent to disclose the information. The other party may then choose to designate the material or information as HIGHLY CONFIDENTIAL or PROPRIETARY under the provisions of this Protective Order.
- G. Any party may use material or information designated as HIGHLY CONFIDENTIAL or PROPRIETARY in prefiled or oral testimony at hearing provided that the same level of confidentiality assigned by the furnishing party is maintained, unless otherwise classified by the Commission. In filing testimony all parties shall designate as HIGHLY CONFIDENTIAL or PROPRIETARY only those portions of their testimony which contain information so designated by the furnishing party. If any party plans to use information and testimony which has been obtained outside this proceeding, it must ascertain from the furnishing party if any of such information is claimed to be HIGHLY CONFIDENTIAL or PROPRIETARY prior to filing.

- H. A party may designate prefiled or live testimony, or portions thereof, submitted in this case as HIGHLY CONFIDENTIAL or PROPRIETARY (hereinafter, "designated testimony"). Prefiled testimony designated as HIGHLY CONFIDENTIAL or PROPRIETARY shall be filed under seal and served upon all attorneys of record. Only those portions of the prefiled testimony designated as HIGHLY CONFIDENTIAL or PROPRIETARY should be filed under seal, and should be marked in a manner which clearly indicates which materials are considered HIGHLY CONFIDENTIAL and which are considered PROPRIETARY.
- I. Within five days of the filing of designated testimony, the party asserting the claim shall file with the Commission the specific ground or grounds for each claim. Such filing shall show the nature of the information sought to be protected and specifically state the alleged harm of disclosure. Such filing shall be filed under seal only if it contains either PROPRIETARY or HIGHLY CONFIDENTIAL information and shall be served upon all attorneys of record.
- J. Attorneys upon whom prefiled testimony designated HIGHLY CONFIDENTIAL or PROPRIETARY has been served shall make such testimony available only to those persons authorized to review such testimony under the restrictions in Paragraphs C or D, whichever is applicable.
- K. If a response to a discovery request requires the duplication of voluminous material or material not easily copied because of its binding or size, the furnishing party may require the voluminous material be reviewed on its own premises. Voluminous material shall mean a single document, book or paper which consists of more than 150 pages.

- L. Attorneys of record in this case shall require that the in-house or outside expert read this Protective Order and certify in a written nondisclosure agreement that the person has reviewed the Protective Order and consented to be bound by its terms. The nondisclosure agreement shall contain the signatory's full name, permanent address, employer and the name of the party with whom the signatory is associated. Such agreement shall be filed with the Commission. Attached hereto as Appendix "A" and incorporated by reference herein is a form for use in complying with the terms of this paragraph.
- M. In the event a witness discloses the contents of designated prefiled testimony in his or her own prefiled testimony, such testimony shall also be designated in the same manner as the designated prefiled testimony and handled in accordance with this order.
- N. Unless good cause is shown, challenges to the confidential nature of prefiled designated testimony shall be filed with the Commission no later than ten days after the grounds supporting the designations are filed or at the hearing, whichever occurs first. The party making the designation shall have five days to respond to the challenge or may respond at the hearing, whichever occurs first.
- O. The Commission or Regulatory Law Judge may rule on the challenge to the designations prior to the hearing, or at the hearings.
- P. In the event no party challenges prefiled designated testimony, or in the event the Commission or its Regulatory Law Judge rules that testimony was properly designated, then such testimony shall be received into evidence, subject to any other objections being made and ruled upon, and kept under seal.

- Q. In addition, all live testimony, including cross-examination and oral argument which reveals the content of prefiled designated testimony or which is otherwise held to be confidential, including any argument as to whether certain testimony is properly designated, shall be made only after the hearing room is cleared of all persons besides the Commission, its Regulatory Law Judges, court reporters, attorneys of record and witnesses to whom the designated information is available pursuant to the terms of this Protective Order. The transcript of such live testimony or oral argument shall be kept under seal and copies shall only be provided to the Commission, its Regulatory Law Judges, and attorneys of record. Such attorneys shall not disclose the contents of such transcripts to anyone other than those who may have access to the designated information under the terms of this Protective Order. Persons who have access to the designated information under the terms of this Protective Order shall treat the contents of such transcript as any other designated information under the terms of this Protective Order.
- R. References to designated testimony, whether prefiled or live and transcribed, in any pleadings before the Commission, shall be by citation only and not by quotation. Subject to the jurisdiction of any reviewing court, references to designated testimony in pleadings or oral arguments made to such reviewing court shall also be by citation only.
- S. All persons who are afforded access to information under the terms of this Protective Order shall neither use nor disclose such information for purposes of business or competition or any other purpose other than the purpose of preparation for and

conduct of this proceeding and then solely as contemplated herein, and shall keep the information secure and in accordance with the purposes and intent of this order.

- T. Subject to the jurisdiction of any reviewing court, designated testimony constituting part of the record before the Commission shall be delivered to any reviewing court under seal upon service of the appropriate writ of review.
- U. The Commission may modify this order on motion of a party or on its own motion upon reasonable notice to the parties and opportunity for hearing.
- V. Within 90 days after the completion of this proceeding, including judicial review thereof, all designated information, testimony, exhibits, transcripts or briefs in the possession of any party other than Staff or the Public Counsel shall be returned to the party claiming a confidential interest in such information and any notes pertaining to such information shall be destroyed.
- W. The provisions of paragraph C, D, J and L of this Protective Order do not apply to Staff or Public Counsel. Staff and Public Counsel are subject to the nondisclosure provisions of Section 386.480, RSMo 2000. Staff and Public Counsel shall provide a list of the names of their employees who will have access to the designated information.
- X. Outside experts of Staff or Public Counsel who have been contracted to be witnesses in this proceeding shall have access to designated information and testimony on the same basis as Staff and Public Counsel except the outside expert shall read this order and sign the nondisclosure agreement attached as Appendix "A" hereto.
- Y. Outside experts of Staff and Public Counsel who have not been contracted to be witnesses in this proceeding are subject to the provisions of this Protective Order.

- Z. Prefiled testimony and exhibits, whether filed or offered at the hearing, shall be prepared in the manner described in Appendix "B".
