Telecom, LLC, Pursuant to Section 252(i) of the)
Telecommunications Act of 1996)

Notice of Adoption of Interconnection Agreement

Comes now Socket Telecom, LLC ("Socket"), and respectfully files this Notice of Adoption as permitted by 4 CSR 240-2.080 (3). In support of its filing, Socket states as follows:

1. Socket is a presently certificated competitive local exchange company in the State of Missouri, certificated to provide service in Sprint Missouri, Inc. ("Sprint") service territory. Socket's principal place of business is 29 S. 8th St., Columbia, Missouri, 65205.

2. On June 25, 2002, Socket sent to Sprint a request to adopt the Interconnection Agreement entered between Sprint and Zephion Networks Communication, Inc. ("the Agreement"). This Agreement was approved by the Commission in Case No, TO-2001-555 and an original and five copies of the Agreement are filed herewith.

3. Although it is Sprint's normal practice to file necessary paperwork directly with the Commission, Socket offered, and Sprint agreed that for the mutual convenience of the parties, Socket would file the Notice of Adoption itself. Sprint does not join in this pleading, but has expressed no objection to Socket's adoption of the Agreement.

Wherefore, Socket respectfully submits this Notice of Adoption of Interconnection Agreement and requests that the Commission take notice of such adoption pursuant to its authority to regulate telecommunications carriers in the State of Missouri.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Colleen M. Dale', written over the typed name.
