OF THE STATE OF MISSOURI

In the Matter of Ridge Creek Water Company,        )  
LLC's Application to Implement a General        )  
Rate Increase in Water Service                        )

File No.   WR-2017-\_\_\_\_\_

**NOTICE OF INTENDED CASE FILING**

COMES NOW Ridge Creek Water Company, LLC ("Ridge Creek" or "Company"), by and through counsel, and files this Notice of Intended Case Filing. In this regard, Ridge Creek respectfully states the following to the Missouri Public Service Commission ("Commission"):

1.       Ridge Creek is a Missouri limited liability company duly organized and existing under and by virtue of the laws of the State of Missouri with its principal office and place of business located at 18499 Highway 133, P.O. Box KK, Dixon, Missouri 65459.

2.       Ridge Creek is engaged in the business of providing water services to members of the public located in an unincorporated area of Pulaski County. Ridge Creek is a water corporation and a public utility, all as defined in Section 386.020 RSMo 2000.

3.       Commission Rule 4-CSR 240-4.020 provides, in pertinent part, as follows:

(2)       Any regulated entity that intends to file a case likely to be a contested case shall file a notice with the secretary of the commission a minimum of sixty (60) days prior to filing such case. Such notice shall detail the type of case and issues likely to be before the commission.

4.       It is Ridge Creek's intent to either request a revenue increase pursuant to the Small Utility Rate Case Procedure or file tariffs to initiate a general rate case proceeding seeking an increase in its water rates within the next sixty (60) days, or thereafter. Given the Commission's routine suspension of tariff filings in rate case proceedings, and the statutory requirement that a hearing be held after such a suspension, it is likely that this proceeding will become a "contested case" within the meaning of Section 536.010(4) RSMo 2000 as adopted in 4 CSR 240-4.020(1)(C).

Issues likely to be before the Commission in the upcoming rate case include those concerning revenue requirement and rate design.

WHEREFORE, Ridge Creek submits to the Commission and its Secretary this Notice of Intended Case Filing.

Respectfully submitted

/s/ Mark W. Comley
