SECTION 2 - RULES AND REGULATIONS**2.1 Undertaking of the Company**

- 2.1.1 The Company provides business and residential Local Exchange Telecommunications Services originating and terminating in St. Louis, Kansas City, and Springfield in accordance with the terms of this Tariff.

The Company is authorized to serve as its Customers' agent for purposes of ordering changes to and maintenance of the Telecommunications Services provided by any Interexchange or Local Exchange Company that may be necessary to implement and maintain the Company's Services provided to a Customer. The Company is authorized by its Customers to deal directly with any such carriers and with any other vendor in all matters pertaining to its provision of Service to a Customer. A Customer's appointment of the Company as its agent shall not apply to any software modifications that may be necessary with respect to traffic routing or least-cost routing features or functions, which modifications must be made by the Customer through appropriate interaction with the responsible vendor of such features or functions. The Company's appointment as a Customer's agent remains in effect unless modified or revoked in writing or other means approved by the Commission.

- 2.1.2 The Company is responsible under this Tariff only for the Services and Facilities provided herein, and it assumes no responsibility for any Service provided by any other entity.
- 2.1.3 The Company installs, operates, and maintains the Telecommunications Services provided herein in accordance with the terms and conditions set forth under this Tariff and the Regulations of the FCC and the Commission. The Company may act as the Customer's agent for ordering access connection Facilities provided by other carriers or entities, when authorized by the Customer, to allow connection of a Customer's location to the Company's network.
- 2.1.4 Services provided under this Tariff shall not be used for unlawful purposes. Service will not be furnished if any law enforcement agency, acting within its jurisdiction, advises that such Services are being used in violation of the law.

SECTION 2 - RULES AND REGULATIONS (continued)
