

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In Re: Kansas City Power & Light's                    )  
Greater Missouri Operations 2009 Utility            )  
Resource Filing Pursuant to                            )  
4 CSR 240- Chapter 22                                    )

Case No. EE-2009-0237

**APPLICATION TO INTERVENE OF THE  
MISSOURI JOINT MUNICIPAL ELECTRIC UTILITY COMMISSION**

COMES NOW, the Missouri Joint Municipal Electric Utility Commission ("MJMEUC"), pursuant to Missouri Public Service Commission ("Commission") rule 4 CSR 240-2.075, and files its Application to Intervene in the above referenced case. In support thereof, MJMEUC states as follows:

1. On August 5, 2009, Kansas City Power & Light Greater Missouri Operations ("KCPL-GMO") filed its 2009 Integrated Resource Planning Filing (IRP), which is required by the Commission's Integrated Resource Planning rule, 4 CSR 240-22.
2. On August 6, 2009, the Commission issued an Order setting a deadline of August 26, 2009 for applications to intervene in this matter.
3. The MJMEUC is a body corporate and politic of the State of Missouri, organized as a joint municipal utility commission pursuant to section 393.700 et seq. RSMo., with authority to exercise public powers of a political subdivision of the state for the benefit of the inhabitants of municipalities jointly contracting to establish the MJMEUC. Fifty-eight Missouri municipalities are current parties to the joint contract establishing the MJMEUC.

4. Communications in regard to this Application should be addressed to:

Douglas L. Healy  
Healy & Healy, LLC  
939 Boonville, Suite A  
Springfield, MO 65802  
[dhealy@mpua.org](mailto:dhealy@mpua.org)

5. MJMEUC serves 5 municipalities that currently have wholesale power contracts with KCPL-GMO and 7 municipalities directly embedded in KCPL-GMO's transmission system that take transmission service through the Southwest Power Pool ("SPP").

6. MJMEUC has an interest that is different from that of the general public, in that it represents the interest of municipal electrical systems throughout the state, as well as municipal electrical systems that take transmission through SPP and municipal electrical systems that have wholesale power contract with KCPL-GMO. Such interest is not currently represented in the proceedings.

7. Granting intervention to MJMEUC would serve the public interest by allowing MJMEUC's experience and insight to be part of the Integrated Resource Planning process.

WHEREFORE, MJMEUC prays that this Commission issue an order granting its application to intervene in this proceeding and for such other orders and relief as may be appropriate in the circumstances.

Respectfully Submitted,

By: 

Douglas L. Healy
