Dear Secretary:

Attached for electronic filing are revisions to the Spectra Communications Group, LLC. d/b/a CenturyLink, Facilities For Intrastate Access Tariff, P.S.C. MO. No. 2. These revisions are filed in accordance with Missouri Public Service Commission Rules and Regulations and electronically submitted with a July 6, 2012 issue date and a proposed effective date of August 5, 2012. This following page is included in this filing:

Section 12 11th Revised Sheet 313

This filing makes an administrative correction to the originating Carrier Common Line Premium rate for Intrastate InterLATA that was previously filed under Tracking No.: YI-2012-0634; Case No.: TT-2012-0317 on May 1, 2012. Currently, the rate is \$0.002059679, but should be \$0.02509679 as it was reflected in the supporting documentation included in that filing. Therefore, there is no customer impact as the correct rate was implemented in billing.

Should you have questions or need additional information regarding this filing, please contact Becky Kilpatrick at (573) 636-4261 or me at (913) 345-7572.

Sincerely,

A handwritten signature in cursive script that reads "Gary L. Kepley".
