**RE: Network Communications International Corp dba NCIC Inmate Communications  
Name Change Notification**

Dear Mr. Woodruff:

Pursuant to 4 CSR 240-2.062, please accept this as notification of the following requirements -

240.2.062 (3)(C) - Verification that Network Communications International Corp. d/b/a NCIC Inmate Communications has reviewed its contacts in EFIS and that they have been updated to reflect the d/b/a NCIC Inmate Communications.

240.2.062 (1)(C) - Customer Notice Requirement -

Network Communications International Corp. d/b/a NCIC Inmate Communications is an alternate operator services provider, providing automated operator-assisted collect and prepaid calling services to inmates and other incarcerated persons throughout the state of Missouri. Network Communications International Corp. d/b/a NCIC Inmate Communications does not offer any presubscribed services. As a result, direct notification to end users is not possible. However, each operator-assisted call is "branded" so that the company's name, including the d/b/a, is provided every time a call is placed.
