Multifamily Efficient Kits Program

Ameren Missouri offers FREE energy savings products that can help you and your tenants save on energy costs. The Multifamily Efficient Kits program is available for non-low income multifamily property owners and managers with three or more rental units. We also offer a [multifamily low income program](#) for eligible properties.

FREE Energy-Saving Products - *electric source water heat and heating only*

The energy saving kits will include each of the following:

- ENERGY STAR® certified LED bulbs
- Electric hot water pipe insulation
- Dirty filter alarm (electric forced air heat)
- High-efficiency faucet aerators (bathroom and kitchen)
- High-efficiency showerhead

Get started!

Call our dedicated account manager at 314.335.1206 or send us an email to get started. Our team will work with you to schedule a time to discuss your eligibility for this program.
