Re: File No. XD-2011-0198; *In the Matter of the Cancellation of Certificate of Service of Authority and Cancellation of Tariff of DSLnet Communications, LLC*

Dear Ms. Dippell:

DSLnet Communications, LLC ("DSLnet") is in receipt of the Order issued in the above-referenced proceeding issued on January 19, 2011. Upon consideration of the request of the Commission Staff, DSLnet voluntarily relinquishes its Certificate of Authority to provide long distance and private line service in the State of Missouri. DSLnet does so without prejudice to seek a certificate of service of authority in the future if it offers services that are subject to the jurisdiction of the Commission or if DSLnet requires interconnection and/or access to unbundled network elements. Through this action, DSLnet is also cancelling its existing tariff filed with the Commission.

DSLnet further agrees that a hearing does not need to be held.

Please let me know if you have any questions. Also, please do not hesitate to contact the undersigned if there are any other actions that need to be taken with respect to this filing.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kathy", written over the printed name.
