Service Authority to Provide Basic Local Tele-) Case No. TA-2000-1
communications Service in Portions of the State)
of Missouri and for Competitive Classification.)

NOTICE CLOSING CASE

On October 7, 1999, the Commission issued an order granting a certificate to provide basic local and exchange access telecommunications services to Allegiance Telecom of Missouri, Inc. (Allegiance). Paragraph 5 of that order required Allegiance to file a tariff reflecting the rates, rules, regulations and services it intended to offer within thirty days of the effective date of a Commission order approving an interconnection agreement that would allow Allegiance to provide services.

On December 7, 1999, Allegiance notified the Commission that its interconnection agreement with Southwestern Bell Telephone Company had been approved by the Commission effective November 8, 1999, and requested additional forty-five days in which to file its proposed tariff. On March 21, 2000, the Commission issued an order approving Allegiance's basic local and exchange access tariff. Therefore,

Allegiance's Motion for Extension of Time to File Tariff is moot and
this case may be closed.
