**ORDER OF RULEMAKING**

By the authority vested in the Public Service Commission under section 700.040, RSMo 2016, the commission amends a rule as follows:

**4 CSR 240-120.110 Complaints and Review of Manager Action(s) is amended.**

A notice of proposed rulemaking containing the proposed amendment was published in the *Missouri Register* on August 15, 2017 (42 MoReg 1158). No changes have been made to the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The public comment period ended September 15, 2017, and the commission held a public hearing on the proposed amendment on September 22, 2017. The commission received timely written comments regarding this rule from three manufactured housing industry representatives including: Thomas Hagar, Executive Director, Missouri Manufactured Housing Association (MMHA); Timothy L. DeVine, Your Home Center L.L.C.; and Jamie Smith, Managing Partner/General Manager, Clayton Homes of Lebanon, and Vice-President-Board of Directors of MMHA. The commission also received timely written comments about this rule from the Staff of the Missouri Public Service Commission (staff). At the public hearing, comments about this rule were received from four commenters: Mark Johnson, Staff Counsel representing staff; Rich AuBuchon, an attorney representing MMHA; Bryan Crump, Cedar Creek Homes; and Jamie Smith. The industry representatives opposed many of the proposed amendments to rules filed simultaneously with this rule on the grounds that they would be burdensome on the manufactured housing industry. Staff explained the reason for the amendments and supported the amendments.

**COMMENT #1:** Mr. Hagar made a general written comment regarding the amendments proposed to the entire package of manufactured housing rules. He expressed concern that the date set for the hearing did not allow the MMHA members sufficient time to review and prepare comments on the rule amendments. Mr. Hagar requested the hearing be delayed.

**RESPONSE:** The date for the hearing had already been published in the *Missouri Register* when the comment was received, and could not be postponed. Members of the MMHA participated in the hearing and filed written comments.

JOINT COMMITTEE ON

NOV 16 2017

ADMINISTRATIVE RULES

COMMENT #2: Mr. Smith and Mr. DeVine filed written comments opposing the complete package of rule changes in general, though not specifically the changes in this rule. The commenters stated that the changes to manufactured housing rules would add excessive regulations on the manufactured housing industry, deter business growth, and add costs to consumers.

RESPONSE: Numerous changes have been made to other manufactured housing rules in response to industry and staff comments. However, no changes have been made to this particular rule as a result of these comments.

COMMENT #3: Mr. AuBuchon commented at the hearing on behalf of the MMHA. Mr. Crump and Mr. Smith commented at the hearing that they agreed with Mr. AuBuchon's comments. Mr. AuBuchon gave general comments about and a history of the rulemaking process for all the manufactured housing rules that are being simultaneously promulgated with this rule. Mr. AuBuchon also made suggestions about how the commission could have communicated better with the industry.

RESPONSE: The comments of the manufactured housing industry representatives are appreciated by the commission. However, because the process was completed in accordance with the statutory requirements and the comments were general in nature, no changes to the rules were made as a result of these general comments. The comments specific to other manufactured housing rules are addressed in the context of those rules.

COMMENT #4: Staff supported the proposed amendments to this rule and explained that the amendments were being proposed in order to add the federal statutory citation of the law to be applied and to change the name of the head of the manufactured housing program at the commission.

RESPONSE: The commission agrees that the amendments are appropriate.
