ORDER OF RULEMAKING

By the authority vested in the Public Service Commission under sections 386.250(6) and 393.140(11), RSMo 2016, the commission amends a rule as follows:

4 CSR 240-13.050 Discontinuance of Service is amended.

A notice of proposed rulemaking containing the proposed rule amendment was published in the *Missouri Register* on December 17, 2018 (43 MoReg 3770-3771). No changes have been made in the proposed amendment so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the Code of State Regulations.

SUMMARY OF COMMENTS: The public comment period ended January 16, 2019, and the commission held a public hearing on the proposed rule on January 29, 2019. The commission received timely written comments in support of the amendment from Travis J. Pringle, Legal Counsel, on behalf of the staff of the commission.

COMMENT #1: Staff made comments supporting the amendment of this rule indicating that this simplification removes the actual physician's certificate from the rule. Staff stated that this rulemaking was undertaken in response to Executive Order 17-03 and is being proposed in order to streamline, simplify, and improve the user-friendliness of the commission's regulations.

RESPONSE: The commission agrees that a specific doctor's form is not necessary. A specific form makes the rule more difficult to use for the customers who most need it. No change was made as a result of this comment.
