CASE NO. EA-2000-308

NOTICE REGARDING PETITION
FOR LOCAL PUBLIC HEARING

On December 2, 1999, the Commission's Records Department received the enclosed petition which consists of 23 pages, some partially filled, purporting to request a local public hearing in Rolla, Missouri.

The envelope in which this document was mailed bears no return address. The document did not include a cover letter nor is there any means of identifying the sender. Furthermore, there is no attestation to certify the accuracy of the contents or the authenticity of the signatures.

The Commission's usual practice upon receipt of documents from non-party individuals is to simply place the received document into a separate "letters file" which bears the case number and which is maintained with the case files containing pleadings and other official documents. Because this document does not meet the pleading requirements for a filing nor is it, technically, a letter, the parties are hereby advised that this petition has been received and

placed in the letters file for this case. As a public document, it will remain there and be equally available to all parties.

BY THE COMMISSION
