

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of Lake Region Water & Sewer)
Company's Application to Implement a General)
Rate Increase in Water & Sewer Service) File No. SR-2013-_____

In the Matter of Lake Region Water & Sewer)
Company's Application to Implement a General)
Rate Increase in Water & Sewer Service) File No. WR-2013-_____

NOTICE OF INTENDED CASE FILING

COMES NOW Lake Region Water & Sewer Company ("Lake Region" or "Company"), by and through counsel, and files this Notice of Intended Case Filing. In this regard, Lake Region respectfully states the following to the Missouri Public Service Commission ("Commission"):

1. Lake Region is a Missouri corporation duly organized and existing under and by virtue of the laws of the State of Missouri with its principal office and place of business located at 62 Bittersweet Road, Lake Ozark, Missouri. Pursuant to 4 CSR 240-2.060(1)(B), Lake Region's certificate of good standing from the Missouri Secretary of State's office is attached as **Appendix 1**.

2. Lake Region is engaged in the business of providing water and sewer services to members of the public located in an unincorporated area of Camden County. Lake Region is a water corporation and sewer corporation and a public utility, all as defined in Section 386.020 RSMo 2000.

3. Commission Rule 4-CSR 240-4.020 provides, in pertinent part, as follows:

(2) Any regulated entity that intends to file a case likely to be a contested case shall file a notice with the secretary of the commission a minimum of sixty (60) days prior to filing such case. Such notice shall detail the type of case and issues likely to be before the commission.

4. It is Lake Region's intent to file tariffs to initiate a general rate case proceeding seeking an increase in its water and sewer rates within the next sixty (60) days, or thereafter. Given the Commission's routine suspension of tariff filings in rate case proceedings, and the statutory requirement that a hearing be held after such a suspension, it is likely that this proceeding will become a "contested case" within the meaning of Section 536.010(4) RSMo 2000 as adopted in 4 CSR 240-4.020(1)(C). Issues likely to be before the Commission in the upcoming rate case include those concerning revenue requirement and rate design.

WHEREFORE, Lake Region submits to the Commission and its Secretary this Notice of Intended Case Filing.

Respectfully submitted

/s/ Mark W. Comley
