Title 4 – DEPARTMENT OF ECONOMIC DEVELOPMENTCRETARY OF STATE Division 240 – Public Service Commission ADMINISTRATIVE RULES Chapter 29 – Enhanced Record Exchange Rules

ORDER OF RULEMAKING

By the authority vested in the Public Service Commission under sections 386.040 and 386.250, RSMo 2016, the commission withdraws a proposed rescission of a rule as follows:

4 CSR 240-29.060 Special Privacy Provisions for End Users Who Block Their Originating Telephone Number proposed rescission is withdrawn.

A notice of proposed rulemaking containing the proposed rule rescission was published in the *Missouri Register* on May 15, 2018 (43 MoReg 991). This proposed rescission is withdrawn.

SUMMARY OF COMMENTS: The public comment period ended July 2, 2018, and the commission held a public hearing on the proposed rule on July 10, 2018. The commission received timely written comments from the staff of the commission, the Missouri Telecommunications Industry Association (MTIA), and from Windstream Missouri, LLC. Whitney Payne, representing the commission's staff, and Natelle Dietrich, on behalf of staff; Richard Telthorst, on behalf of MTIA; Leo Bub, representing AT&T Missouri; and Brian McCartney, representing the Missouri Small Telephone Company Group, appeared at the hearing and offered comments.

COMMENT #1: Staff explained the Enhanced Record Exchange Rules in Chapter 29, of which this rule is a part, are designed to deal with the problem of uncompensated or unidentified traffic being delivered to Missouri's local exchange carriers (LECs). Staff suggested the rule is unnecessary because wholesale matters are typically addressed in interconnection agreements, tariffs contracts, and other intercompany arrangements. Representatives of the LECs offered comments strongly disagreeing with staff's view of the importance of the rule. They explained this rule is very important in their efforts to reduce the incidence of fraudulent delivery of telecommunications traffic over the network. They urge the commission not to rescind these rules.

RESPONSE: The commission agrees the Enhanced Local Exchange Rules of Chapter 29 remain necessary. The Commission will withdraw the proposed rescission of this rule.
