**Re: MCImetro Access Transmission Services Corp. d/b/a Verizon Access Transmission Services  
Case No. LN-2024-0032 -- Cancellation Letter of P.S.C. Tariff No. 8**

Dear Ms. Dippell,

Pursuant to conversation with Missouri Public Service Commission staff in regards to Case No. LN-2024-0032, MCImetro Access Transmission Services Corp. d/b/a Verizon Access Transmission Services (“Verizon Access”) respectfully submits this letter to cancel its P.S.C. Tariff No. 8. Verizon Access was under the impression that the tariff was cancelled many years ago however since the tariff is still showing active in the MO EFIS system, Verizon Access submits this cancellation letter.

If you have any questions regarding this cancellation letter, please contact me at (847) 378-4573, or via email at [shannon.brown@verizon.com](mailto:shannon.brown@verizon.com).

Respectfully submitted,

Shannon L. Freedlund  
Manager, State Government Affairs
