MOTION TO RESCHEDULE TECHNICAL CONFERENCE

COMES NOW Union Electric Company d/b/a AmerenUE (AmerenUE or Company) and, for its request to reschedule the scheduled technical conference, states as follows:

1. On September 19, 2006, Richard D. Smith of 12787 John Smith Road, Potosi, Missouri 63166 (Complainant) initiated this Missouri Public Service Commission (Commission) proceeding by filing a Complaint against AmerenUE.

2. On December 14, 2006, the Commission issued an Order Resetting Deadline for Filing Procedural Schedule. This order set a technical conference for January 16, 2007 to be held at AmerenUE's Potosi office. The order also required the parties to file a suggested procedural schedule no later than January 23, 2007.

3. It is AmerenUE's desire to have the Supervising Engineer for the Potosi area present at this conference. Unfortunately, due to the ice storms which hit portions of AmerenUE's territory over the weekend, this individual will be busy with restoration efforts during the time this conference is scheduled.

4. AmerenUE has contacted all parties in this case, including Mr. Williams for Missouri Public Service Commission Staff, Mr. Lewis for the Office of Public Counsel and Mr. Smith personally, and all parties have agreed to cancel the January 16th technical conference.

The parties will make an additional filing with an agreed-upon date for rescheduling this technical conference after the storm restoration efforts have subsided.

WHEREFORE, AmerenUE asks the Commission to suspend its requirement of a technical conference on January 16, 2007 and to allow the parties to provide the Commission a new date for this conference no later than January 23, 2007.

Respectfully submitted,

UNION ELECTRIC COMPANY,
d/b/a AmerenUE
