**APPLICATION TO INTERVENE
OF DEKALB COUNTY, MISSOURI**

COMES NOW DeKalb County, Missouri by and through the County Commission composed of Presiding Commissioner Harold Allison, and Associate Commissioner Kyle White, and Associate Commissioner Gary McFee (collectively referred to hereafter as “DeKalb County”), by and through its counsel Ivan L. Schraeder, of counsel to The Wagner Law Group, and pursuant to 4 CSR 240-2.075, applies to intervene in the above case. For its Application, DeKalb County states:

1. DeKalb County, Missouri is a political subdivision created under the laws of Missouri as a third class county with its principal place of business located at the DeKalb County Courthouse, P. O. Box 248, Maysville, MO 64469.
2. DeKalb County, Missouri is represented by counsel identified below in this pleading.
3. DeKalb County, Missouri is interested in this litigation because any decision issued in this matter may serve to reduce general revenue payable to the County from taxes that are now payable for the wind power properties that may be lost by virtue of changes requested by Petitioner if or when extended by a PSC decision, such reduction in tax revenues will have a

permanent and direct adverse impact on County operations and the services provided to the citizens of DeKalb County, Missouri.

4. DeKalb County, Missouri opposes the relief sought by the Petitioner as it is currently requested.

WHEREFORE, DeKalb County respectfully requests that the Commission grant this Application to Intervene, along with any further relief the Commission deems just and proper.

Respectfully submitted by:

/s/ Ivan L. Schraeder
