

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of a Proposed Experimental)	
Regulatory Plan of Kansas City Power &)	Case No. EO-2005-0329
Light Company)	

**AQUILA, INC.'S RESPONSE IN OPPOSITION TO SIERRA
CLUB AND CONCERNED CITIZENS OF PLATTE COUNTY'S
MOTION TO ALLOW FOR MORE TIME FOR FILING THE LIST OF ISSUES
AND POSITION STATEMENT AND TO CONTINUE THE HEARING**

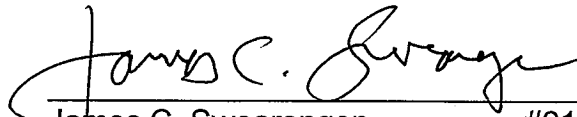

COMES NOW Aquila, Inc., ("Aquila"), by counsel, and for its Response In Opposition To Sierra Club And Concerned Citizens Of Platte County's Motion to Allow for More Time for Filing the List of Issues and Position Statement and to Continue the Hearing ("Motion") respectfully states as follows to the Missouri Public Service Commission ("Commission"):

1. Aquila opposes and requests that the Commission deny the Motion for the reasons stated in the response to the Motion filed by Kansas City Power & Light Company ("KCPL") on May 25, 2005.

2. Aquila is a potential partner in the proposed Iatan 2 plant and the building of that plant, and thus Aquila's participation in same, is dependent upon the outcome of this case. In addition, as indicated by KCPL's response, Aquila, as a potential partner in the plant, must demonstrate that it has a commercially feasible financing plan to participate in said plant by securing Commission approval of its financing plan. Aquila's Iatan 2 financing plan is the subject of Case No. EO-2005-0293. It is important, therefore, that the Commission move forward expeditiously in both the captioned-proceeding as well as Case No. EO-2005-0293 so that the construction schedule of Iatan 2 will not be delayed.

WHEREFORE, for the reasons set forth herein, Aquila respectfully requests that the Commission deny the Motion.

Respectfully submitted,

James C. Swearengen #21510
