

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the General Rate Increase)
Tariffs for Missouri Gas Energy, a Division) Case No. GR-2014-0007
of Laclede Gas Company)

APPLICATION TO INTERVENE

COMES NOW the City of Kansas City, Missouri (hereinafter sometimes Kansas City or City), pursuant to 4 CSR 240-2.075 of the Rules of Practice and Procedure, and for its Application to Intervene respectfully states:

1. The City of Kansas City, Missouri, is a municipality of the State of Missouri.
2. Correspondence, communications, orders and the decision in this matter should be

addressed to:

3. This case arose when Missouri Gas Energy ("MGE") filed revised tariff sheets to implement a general rate increase. On September 17, 2013, the Commission issued an order and notice directing that interested parties wishing to intervene must do so on or before October 18, 2013. This application is therefore timely.

4. MGE provides service within the City's corporate limits under City franchise. Additionally, the City, acting through its several departments and affiliated agencies, is itself a consumer of energy supplied by MGE and recipient of funds allocated for demand side management initiatives including low income weatherization of qualifying structures.

5. The City believes that its participation in the matter will be important to the other parties, and would assist the Commission in any deliberations on the subject matter. Its intervention is in the public interest.

6. At this time, Kansas City is uncertain of the position it will take in this matter.

WHEREFORE, for the foregoing reasons, the City of Kansas City, Missouri, respectfully requests that the Commission grant its Application to Intervene in this matter, and thereby entitle the City to have notice and to appear at the taking of testimony, to produce and cross-examine witnesses and to be heard on the argument, and in all other respects fully participate in this proceeding.

Respectfully submitted,

/s/ Mark W. Comley
