File No. AO-2023-0069

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), through the undersigned counsel, and for its Recommendation in this matter recommends that the Commission renew the authority of the United Way of Greater Kansas City, Inc., as a Missouri Information and Referral Provider in the counties requested in its *Reapplication*, specifically to provide information and referral through “211” telecommunications service.

1. On August 12, 2022, the United Way of Greater Kansas City filed a *Reapplication for 211 Authority*, pursuant to 20 CSR 4240-28.015. On August 25, 2022, Staff filed a notice in response to an Order of the Commission listing those entities on which the Commission should file notice of this matter.

2. Staff has reviewed the Reapplication and has found that it meets all of the requirements of 20 CSR 4240-28.015.

3. 211 service is an abbreviated dialing to an entity that can provide the caller with relevant information and refer the caller to the appropriate provider of human services. Human services are services which include, but are not limited to, activities that help people to become more self-sufficient, sustain independence, strengthen family relationships, support personal and social development and ensure the

well-being of individuals, families, groups and communities. Specific kinds of human services include ensuring that people have access to adequate food, shelter, clothing and transportation; financial resources to meet their needs, consumer education and decision support; legal services; training and employment; health and mental care including substance abuse services; both routinely and in times of disaster or other emergencies.

4. Staff supports renewing the authority because the United Way of Greater Kansas City is an entity able to provide comprehensive 211 service and that has committed to complying with all applicable statutes and Commission rules. Staff is unaware of any objection to the request for renewal of its authority.

WHEREFORE, Staff prays that the Commission will renew the authority of United Way of Kansas City, Inc., as a Missouri Information and Referral Provider in the counties requested in its Reapplication, specifically for the provision of 211 telecommunications service; and grant such other and further relief as the Commission considers just in the circumstances.

Respectfully submitted,
