In the Matter of the Application of Missouri-American	)	
Water Company for a Certificate of Convenience	)	File No. WA-2019-0259
And Necessity Related to a Water Supply Reservoir	)	
in Newton County, Missouri.	)	

**MAWC'S WITHDRAWAL OF NOTICE**

**COMES NOW** Missouri-American Water Company ("MAWC" or "Company"), and, as its Withdrawal of Notice, states as follows to the Missouri Public Service Commission ("Commission"):

1. On March 11, 2019, this case was created with MAWC's filing of its Notice of Intended Case Filing ("Notice"), pursuant to Commission Rule 4 CSR 240-4.017. That Notice indicated MAWC's intent to file an application for a certificate of convenience and necessity (CCN) related to a water supply reservoir in Newton County, Missouri, within the following 60-180 days.

2. Since the filing of the Notice, the potential timeline for construction of the water supply reservoir has changed. Given the Section 393.170.3, RSMo provision that a CCN issued by the Commission shall be null and void "[u]nless exercised within a period of two years from the grant thereof," MAWC now believes it would not be an efficient use of the Company's, or the Commission's, time to file an application at this time.

3. Accordingly, MAWC hereby withdraws its Notice of Intended Case Filing previously filed in this matter and will refile a notice at a later date closer to its expected filing of the application for a CCN related to the water supply reservoir.

WHEREFORE, MAWC withdraws its Notice of Intended Case Filing.

Respectfully Submitted,
