**NOTICE CLOSING CASE**

On December 22, 1999, the Commission issued an order granting certificates of service authority to BlueStar Networks, Inc. (BlueStar). The order directed BlueStar to file tariff sheets within 30 days after the effective date of an interconnection agreement that would allow it to provide services. The file was left open to receive those tariffs but no such tariffs have yet been filed.

There is no need for this case to remain on the Commission's open docket while it is inactive. Therefore, it will be closed. Closing the case allows the Commission to control its docket but does not affect the rights or obligations of the parties. When BlueStar is ready to file its

tariff, it shall do so in this case. When such a tariff is filed, the Commission will reopen the case to consider the tariff.
