Case No. WR-98-320

NOTICE OF CORRECTION AND FILE CLOSING

The Commission issued an Order Approving Tariffs on March 26, 1998 that referred to a one (1) page attachment listing depreciation rates being adopted by the Commission for use by Frimel Water Systems. However, the attachment was inadvertently omitted from the order that was issued and served on the parties. The Commission hereby corrects its March 26 order by attaching the list of depreciation rates as Attachment A to this notice.

Further, the orders of the Commission have been complied with and it is appropriate to close this file. This case may be closed after June 11, 1998.
