CLARIFICATION OF RESPONSE TO STAFF RECOMMENDATION

COMES NOW Roeslein Alternative Energy Services, LLC ("RAES"), by and through counsel, and states as follows to the Missouri Public Service Commission ("Commission") as a clarification of RAES's Response to Staff Recommendation:

1. On July 7, 2016, RAES filed its Response to Staff Recommendation. Among other things, RAES stated that would "commit to making a presentation to Staff concerning the details of the East and West Corridor pipelines at least three (3) months before construction so that Staff is aware of the project details and RAES's intention as to the filing of an application at that time."

2. RAES hereby clarifies that commitment to include the Office of the Public Counsel (OPC), such that RAES commits to making a presentation to Staff and OPC concerning the details of the East and West Corridor pipelines at least three (3) months before construction so that Staff and OPC are aware of the project details and RAES's intention as to the filing of an application at that time.

WHEREFORE, RAES requests the Commission consider this clarification and, thereafter, issue its order holding that it lacks jurisdiction as outlined in the Staff

Recommendation and Staff Response.

Respectfully submitted,

BRYDON, SWEARENGEN & ENGLAND P.C.
